D.O. No. F.8(2) Env./2015

Dated : 14.10.2020

Dear Sir,

I am in receipt of your letter dated 6th October, 2020 and have been informed of your visit to NCR regions of Rajasthan on 13th September, 2020 and 24th September, 2020 and the meeting chaired by you on 25th September, 2020 regarding disposal of industrial and municipal solid waste in the NCR area of Rajasthan.

In this regard, I would like to inform you about the actions taken by Government of Rajasthan subsequent to the aforesaid meeting.

1. RIICO has taken corrective actions on the locations identified during your visit. Some photographs indicating action taken are enclosed.
2. In Bhiwadi, which has been identified as a hotspot, an MoU has been signed by BJPNA (Bhiwadi Jal Pradushan Niyantran Association) with Sarthak (a Bhopal based NGO) for door to door collection, segregation, MRF and final disposal of non-hazardous industrial solid waste. As per agreement, an industrial shed of 3000 sqft shall be constructed by RIICO and Sarthak and BJPNA shall bear 50% of the cost of the plant and machinery. After establishment of the facility, all the recyclable waste of the Bhiwadi industrial area will be recycled.
3. District Collector, Alwar has been made Nodal Officer for controlling the burning of municipal and industrial solid waste and ensuring its management in the hotspot of Bhiwadi and also the other industrial areas of Alwar District.

Further, I have scheduled a meeting with the relevant officers of the NCR area on 14th October, 2020 where I shall be reviewing further action taken by concerned authorities. An updated status report shall be communicated to you by next week.

Respectfully,

Yours sincerely,

Rajeeva Swarup

Dr. Bhure Lal,
Chairman,
Environment Pollution (Prevention & Control) Authority,
Central Pollution Control Board,
