Upon hearing the learned counsel, the Court made the following
O R D E R

IN RE: REGISTRATION OF BS IV VEHICLES

The affidavit filed by the Ministry of Road Transport and Highways, in compliance of the order dated 24.07.2020, is perused. The sales during the period of lockdown are abnormally high, whereas no sale could have taken place during that period. Ms. Aishwarya Bhati, learned Additional Solicitor General of India, has also submitted that now advertisements are being issued that vehicles are available for sale at a concessional rate with "zero kilo

metre" and she has stated that there are several sales which are in the name of the common persons and it is necessary that FADA and Non-FADA both explain that how many sales have been made to the single person or in the names of other dealers and why for advertisements, in question, are being floated now. It *prima facie* appears that there is misuse of court's order as under the guise of the order dated 27.3.2020, fraudulent action is being taken which cannot be permitted. We have to verify all the facts and only thereafter we can permit the registration, if any, of these vehicles. We direct all the authorities throughout India not to register any vehicle of BS-IV till we decide this issue. Let an affidavit, in detail, explaining all above aspects and sales inter se dealers, be placed on record on behalf of the FADA as well as non-FADA members. The affidavit be filed by 10.08.2020.

Advertisements which have been issued for sale of such kind of vehicles may also be filed. FADA and Non-FADA both have to explain how many transactions have taken place during lockdown period through online and direct sales and what was the method of making payment, let it be explained in detail vehicle-wise, along with sales inter se dealers and to one person. Let the advertisements be placed on record with the list of documents.
